Philosophy Vision & Mission

Humanitarian Reserch Foundation

Philosophy:

"Facilitating sustainable People's oriented community development at the grass-roots level for the have-nots."

Vision:

"Of having a society which will ensure peaceful co-existence, good neighborliness temperament, hassle-free livelihood, basic rights, and integrated community development- under various paradigms of social-service sectors- the benefits of which will be percolated at the grass-roots level- irrespective of caste, creed, religion, color and gender."

Mission:

"For attainment of visionary zeal our mission would be to undertake relentless people's-oriented community developmental activities, through, self-enrichment of community people and capacity building thereof and by using local, internal, and external resources backed-up by science & technological inputs."

Nature of the organization :

The voluntary organization is a non-profitable, a political and secular in nature being engaged with sustainable rural community developmental activities at the grass-roots level.
